## **537 WEDNESDAY NIGHT POLICY**

### **I. PURPOSE**

The Rothsay Public Schools will conform to the law of the land as it relates to the separation of church and state. In support of that school officials will not schedule any activity after 6:00 p.m. on all Wednesdays throughout the school year except by exception which requires Superintendent approval. The reason for this is several of Rothsay's churches schedule activities for students and parents after 6:00 p.m. This will eliminate scheduling conflicts.
